

Welcome to the PLAYMAKERSSM season!

Here's some information to help you get started!

Teams will explore and create fun new ways for people to be more active and work together, build a team model and team poster, and share what they have learned.

The [FIRST[®] Core Values](#) are the essential foundation for your team. They will help guide your team through their journey and show what fun it can be to work together.

Your team is part of a global FIRST[®] LEGO[®] League community with more than 67,000 teams across three divisions in over 110 different countries!

You will receive the following items as part of your FIRST[®] LEGO[®] League Explore Season:

- Explore Set
- Team Meeting Guide
- Engineering Notebooks

Read the Team Meeting Guide and Engineering Notebook to gain an understanding of the season and what you will need to prepare.

You will need **computers or devices with the LEGO[®] Education WeDo 2.0 software** downloaded from the [LEGO Education website](#).

End your season with a celebration where your team shares what they have done! Please check on your local options as there may be remote or in-person options as well as registrations and fees.

The Reviewing document used at the festival when your team presents their work is available on [here](#)

If you are participating in our Class Pack option, check out the **digital Class Pack Festival Guide**, which you should have received access to when you registered.

Good luck and have fun!
